

19 April 2024

Dear Parents/Carers,

It has been lovely to welcome Year 7 students back after the Easter break and I hope you all enjoyed the time together. We are looking forward to all the activities our Summer term brings.

Last weekend the Year 7 students, able to attend, enjoyed their first residential opportunity at the Whitemoor Lakes Activity Centre.

Over three days of adventurous activities students took part in a number of activities including assault courses, team games, zip wire, sailing and kayaking. Each activity session was designed to build confidence, communication, teamwork, leadership, and certainly pushed students out of their comfort zone. In addition students developed their social skills, all whilst having lots of fun!

Thankfully the weather was kind to us for the weekend even allowing many to brave a quick dip in the lake!

The student's behaviour throughout the weekend was outstanding particularly when faced with the range of activities and the emotional resilience need to manage the tiredness that ensued. Staff members at the centre commented on our student's politeness and maturity throughout the trip which is always lovely to hear.

Safeline are hosting an internet safety workshop here at North Leamington School for parents/carers on Thursday 21 May from 5-6.30pm. The workshop will focus on the prevalence of online abuse/grooming and keeping safe online and will also explore different apps, privacy setting and

where to seek support. If you would like to attend please email jlignier@northleamington.co.uk to confirm.

Kind regards,

Sarah Barley-Morey

AHT Y7 Lead
