

	<p>Skills Every lesson students develop their speaking, reading, listening and writing skills. They will begin with word level and sentence level.</p> <p>The key concepts of cognates, gender (definite articles) and plural nouns are introduced. Students begin to use a bi-lingual dictionary to develop their knowledge, skills and accuracy. Different techniques to remember words and short sentences are established.</p> <p>Students will improve their collaboration skills and build confidence, as they work in pairs and groups regularly. Much of these lessons will involve speaking, developing their resilience and perseverance skills.</p> <p>Wider experiences Students will start to develop a curiosity about the world around them and different cultures, traditions and festivals including Halloween and La Toussaint. There will be an International Project on Indonesia.</p>		<ol style="list-style-type: none"> 2. Get somebody at home to test you and check your answers 3. Use a language website e.g. www. french-games.net (play the games to learn the words – listening / reading / writing) 4.
