

Year 11 Curriculum Overview

Year 11 will begin with pupils focusing on unseen poetry where they will develop the confidence and skills necessary to analyse a range of unseen poems. Pupils will then revise the AQA conflict poems from the Power and Conflict anthology to explore links between the poems and then work on essay writing skills. There will then be a focus on revising An Inspector Calls, a text pupils first covered in year 9, with the emphasis on consolidating knowledge of the play and using this to write an essay. These skills will help pupils prepare for their mock exam in October which will be on English Literature Paper 2. The second half of the autumn term focuses on preparation for the next series of mocks, English Language Paper 1, and English Literature paper 1. This revision will include Macbeth or Romeo and Juliet, A Christmas Carol and all aspects of English Language paper 1. Reviewing these skills gives pupils the opportunity to practise writing well-crafted exam answers in timed conditions. After Christmas, pupils will then be introduced to English Language paper 2 with a focus on reading non-fiction sources and making comparisons between two non-fiction extracts. Pupils will develop the skills to critically evaluate texts, make inferences and analyse the methods used by a writer to convey their ideas. Pupils will also develop their skills in writing a range of transactional writing (letters, articles, speeches and essays), practising their ability to write accurately, fluently and effectively. There will also be a focus on aspects of spelling, punctuation, grammar and proof-reading. The final mock exam is on English Language paper 2. The data from all of the mocks and in-class assessments will then be used to create bespoke revision lessons to target specific texts and skills that require further improvement. Supplementary home learning will also be used to help pupils develop their confidence with key skills and exam questions.
