

4 September 2026

Dear Parents and Carers,

It has been a pleasure to welcome your child back to North Leamington School and into Year 8.

Having successfully transitioned into secondary school last year, Year 8 is an important opportunity for students to continue developing both personally and academically. They will also have the opportunity to act as role models to our new Year 7 students, and it has already been wonderful to see the compassion and generosity they have shown towards their younger peers.

As a reminder, key information and resources can be accessed through our school website, including Go4Schools (G4S) [Go4Schools \(G4S\)](#) and ParentPay, [ParentPay](#) as well as your child's [Learning Journeys](#) which outline what they will be learning in each subject.

During tutor time this half term, students will explore Law, Crime and Punishment, alongside developing their Digital Literacy, exploring careers, employment and post-16 options, and engaging with events such as Black History Month. These sessions will be delivered through engaging activities with their Form Tutor.

Your child will remain with the same [Form Tutor](#) as last year, who will be in touch next week to check in and ensure they have settled back into school well.

We also have an exciting event coming up. On Friday 25 September, we will be supporting Cancer Research UK's Race for Life through our annual whole-school event, weather permitting. Students will have the opportunity to run or walk a marked route around the school field. They may come to school in their NLS PE kit and blazer, with a pink item of clothing or accessory if they wish. We encourage all students and staff to donate £1, either in cash or via ParentPay.

Thank you for your continued support. I am very much looking forward to working with you and your child throughout what promises to be a successful and exciting Year 8.

Yours sincerely,

Mr. B Butler
Assistant Headteacher – Year 8 Lead
