20 May 2022

Dear Parents/Carers,

WEX Work Experience 13-17 June 2022

The deadline for authorising work experience was 19 May 2022. Unfortunately, we are unable to authorise further requests as the risk assessment information cannot be processed in time.

However, we are delighted that over 190 students have managed to secure an external placement.

For both these students, and those who remain inside school, the key focus is on the following employability skill development:

Qualities:

Confidence, Resilience, Honesty

Standards:

Time keeping, Smart dress, On task, High quality work, Professionalism

Skills:

Communication, Team Work, Initiative

We will be discussing this with students at the next assembly which will take place the week before work experience (after half term). In the meantime, we do ask that parents/carers talk to their children about the importance of representing themselves, their parents/carers and the school in the very best light whilst they are working out in our community.

Kind Regards,

Mrs S Barley-Morey

Assistant Head Teacher, Year 10 Lead
