17 June 2022

Dear Parents, Carers and Students,

UCAS Launch Day

The UCAS launch day went incredibly well last week; we were thrilled to have such enthusiasm and interest from the students. They started their day watching a video 'Austin's Butterfly' which shows the importance of drafting, students then did their own version drawing a bee and some of the outcomes were very impressive!

Students got a lot out of the different sessions on personal statements and other areas and the majority of the year are near completion of their UCAS application form. We ask that this form is completed (excluding the personal statement and university choices) by 7 July including the 'pay and send' section. This only sends it to us in the Sixth Form office and we can return it to students to continue their application.

Thank you to those who joined us on teams for the Parents Information Evening.
Please see the link below for the recordings for those who were unable to attend:

[UCAS Parents Information Evening - Miss Hase & Mr Schofield](#)

[University talk - Shona Whatford – University of Exeter](#)

[Oxbridge Talk - India Collins-Davies, Keble College Oxford](#)

Work Experience – 11 – 15 July

Following last week's UCAS day, students should be fully aware of how important it is to arrange a work placement for work experience week on 11-15 July.

A reminder to email the three completed forms to the sixth form (sixthform@northleamington.co.uk) as soon as they have been completed to ensure our records are complete and for us to be able to support the placements. We are available in the sixth form office to chat through any ideas with students to help secure a placement, in addition to what they have already tried.

Dress Code

Please can I ask parents to support us in ensuring that students follow the Sixth Form Dress Code. We have given students warnings who have been wearing items of clothing/shoes which do not comply and you will be receiving emails home to let you know the days and reason the items do not comply. Particular items we are seeing more regularly are white trainers, crop tops and casual trousers.

Please ensure that your child has the appropriate clothing for school and that they wear it each day. You can find the Sixth Form dress code [here](#).

Update on attendance communications

Sarah Thomas our Study, Welfare and Attendance officer has taken over all attendance communications. If your child will not be in school or has an upcoming appointment, please email attendance@northleamington.co.uk and sixthform@northleamington.co.uk to let us know.

If you have any questions on any of the above, please contact the Sixth Form team.

Yours sincerely,

Miss R Hase
Assistant Head Teacher - Head of Sixth Form
