

October 2024

Dear Parent/Carer,

## Y11 BTEC Sport Coursework Assessments

I am writing to provide you with some information on the externally set, internally completed coursework your child will complete for BTEC Sport.

In Year 11 your child will complete the remaining two components for BTEC Sport. The first component to be completed is *Component 2 – Taking part and improving other participants sporting performance*. This component is worth 30% of the BTEC Sport qualification. The coursework assessment window for Component 2 runs between the **w/c 30 September – w/c 11 November 2024**. Most of the coursework will be completed during timetabled BTEC Sport lessons with the vast majority of it being sat in exam conditions on computers. There are additional sessions in place to support your child with the completion of this coursework highlighted below. If your child is entitled to any access arrangements for their exams then these will also be applied to all sections of the component throughout the assessment window.

Below identifies the four tasks for Component 2 with some teacher context of what your child will be completing during this time:

BTEC Sport – Component 2 (30%)		
Task:	Learning Outcome:	Teacher Context:
Task 1	<b>Learning Aim A;</b> understand how different <i>components of fitness</i> are used in different physical activities	This piece of coursework will be typed on the computer and presented in a table on a word document. It is an extended piece of writing that justifies which components of fitness are most important for different sports, with a particular focus to on individual sports.
Task 2	<b>Learning Aim B (Part 1);</b> be able to <i>participate in sport</i> and understand the roles and responsibilities of officials ( <b>video evidence</b> ).	This piece of coursework is practical and the correct NLS PE kit will be required. Students will practically perform practical skills unopposed and opposed in <u>their</u> sport. This task will be video recorded.
Task 3	<b>Learning Aim B (Part 2);</b> be able to participate in sport and understand the <i>roles and responsibilities</i> of officials.	This piece of coursework will be typed and presented on a PowerPoint presentation. Students will highlight the rules and regulations and the roles and responsibilities of officials in <u>their</u> sport.
Task 4	<b>Learning Aim C (Part 1);</b> demonstrate ways to <i>improve participants</i> sporting techniques.	This piece of coursework will be typed and presented in a table on a word document. Students will create a session plan for <u>their</u> sport. The plan will incorporate the following sections: a skill specific drill, progression of that drill and a conditioned game. Students will then justify their chosen activities for each section.

<b>Task 5</b>	<b>Learning Aim C (Part 2);</b> demonstrate ways to <i>improve participants</i> sporting techniques <b>(video evidence)</b> .	This piece of coursework is practical and the correct NLS PE kit will be required. Students will lead their 10/15 minute session plan (Task 4) to a small group of Y7/Y8 students (between 4-6 students). This task will be video recorded.

After all of the work has been completed it will be marked and moderated internally by the Year 11 BTEC Sport teachers (Miss Usen & Mr Brannan) and then will be sent off to be externally moderated by the Pearson BTEC Sport exam board.

Your child will receive a raw mark out of 60 for all four tasks together which will then be converted to a percentage to provide an overall assessment grade (ranging from a Level 1 Pass to a Level 2 Distinction). Depending on how well students do across the country will depending on where the component grade boundaries sit.

As previously mentioned, all of the coursework that will be completed during this assessment window is worth 30% of the overall qualification for BTEC Sport so it is crucial that your child remains focused and motivated in lessons. This will help to ensure that the work completed is to the best possible standard to help secure their overall grade. Any support and encouragement that can be provided at home would be incredibly beneficial to your child during this assessment period.

A reminder that there will be an intervention offered weekly **after school** on a **Wednesday 3:20 - 4:00 in C218**.
