Wellbeing Support – including Bursary

Please be aware of key messages for our Sixth Form student body:

- High Challenge, Deep Support
- Safe, Happy, Confident, Successful - a series of key values that complement the school's CORE ones and help drive our provision

Throughout our assembly, PSHE and Tutor Time programme, we foreground the vitality of strong academic performance – this is what enables students to have greater choice in the future and helps facilitate happiness. We also seek to ensure students know that they are seen and valued as individuals and young adults. Students have been advised of pastoral support but I would like to draw further attention to the Bursary (financial) support which is available for those who are eligible: <https://www.northleamington.co.uk/sixth-form/important-documents-information>

Dress Code

Over the next couple of weeks, we will be re-asserting our Dress Code. For the most part, students have adhered very well to this. Please support us in ensuring that all students adhere to it so we do not have to ask students to go home and change:
