Dear Parent/Carer,

Year 13 – Level 3 AAQ BTEC National in Health and Social Care: Pearson Set Assignment dates

I am writing to provide you with information about the Pearson Set Assignments your child will complete for the BTEC Level 3 National AAQ in Health and Social Care during Year 13. Students have now completed the two externally assessed units and received their results and have two internally assessed units remaining: Units 3 and 5. These coursework assignments are set by Pearson and assessed internally.

The dates below show when each assignment brief will be issued and when the completed work must be submitted.

Unit 3: Principles of Health and Social Care Practices

Learning aim	Assignment brief issued	Submission deadline
Learning Aim A	23 November 2026	11 December 2026
Learning Aim B	1 February 2027	12 February 2027
Learning Aim C	26 April 2027	14 May 2027

Unit 5: Promoting Health Education

Unit 5 will also be completed throughout Year 13, alongside Unit 3. The assignment dates are as follows:

Learning aim	Assignment brief issued	Submission deadline
Learning Aim A	14 December 2026	29 January 2027
Learning Aim B	12 April 2027	7 May 2027

Attendance and punctuality will be essential throughout these assessment periods. Students should use their lesson time effectively, plan their work carefully and meet each submission deadline. If your child is absent or has concerns about completing an assignment, they should speak to their teacher promptly.

Support and encouragement at home will be valuable during these periods. You can help by reminding your child of the dates above and encouraging them to stay organised and focused. The work submitted must be their own.

If you have any questions, please contact me at school by email (choward@northleamington.co.uk) or telephone (01926 338711 ext. 8681).

Yours faithfully,

Claire Howard
