

8 November 2024

Dear Parents and Carers

As we conclude our first week back following the October half term, I am pleased to report that things continue at pace here at North Leamington School. Our Year 13 students are completing their mock examination series, approaching this important stage with focus and dedication. For our other year groups, it has been equally productive, with students progressing well through their subject learning journeys.

This week, we were thrilled to welcome so many of our current Year 11 students, along with prospective external students, to our Sixth Form Open Event. It was particularly inspiring to see the enthusiasm for our Sixth Form provision, with a special thank you to our Senior Students, Millie and Will, who represented the school with tremendous dedication and warmth as advocates for all we offer here.

Please remember to use our school website to access information and updates, and Go4Schools for real-time data on your child's timetable, attendance, behaviour, and reports as they are published. I'd like to remind you that the first report of this academic year will be published on Friday, 29th November. This date is also a Staff Training Day, so please note that students will not be in school. For parents and carers of Year 7, 8 and 9 students, please refer to the additional letter regarding Go4Schools App sign-in for students.

This weekend, as we observe Remembrance Sunday, I encourage us all to take a moment to honour the service and sacrifice of so many. Our school community will mark this important event on Monday, with a remembrance gathering in our courtyard. Students will be outside for about 30 minutes, so please ensure they come to school with an appropriate coat to stay comfortable during this time.

Thank you, as always, for your ongoing support. I hope you and your families have a restful and reflective weekend.

Warm regards,

Mike Lowdell
Head Teacher
