

Friday 26 June 2026

Dear Parent / Carer,

I am delighted to outline the final arrangements for the Duke of Edinburgh Silver Qualifying Expedition. As confirmed previously, the expedition will take place on **Thursday 9 July 2026 to Saturday 11 July 2026 (Shropshire Hills)**.

Qualifying Expedition Details

As a requirement of the Silver Award, our students will compete a three-day and two-night expedition on Thursday 9 July 2026 to Saturday 11 July 2026 where we will be staying at Brow Farm Campsite, Ratlinghope, Shrewsbury, Shropshire, SY5 0SR, Tel: 01588 650641

Students are expected to arrive at school by **7.00am on Thursday 9th**, heading to the canteen - and will be due back at school by 7.00pm on Saturday 11th. The time of return is largely dependent on the progress the participants make on the last day and any issues we may encounter driving back – this time may therefore change. I will email you during the day on the Sunday and provide a clear time for arrival and likely time that participants can be taken home.

The qualifying expedition for many is the highlight of the Duke of Edinburgh's Award. Students will be assessed on their ability to meet the 20 Conditions of DofE across the weekend, by accredited Expedition Assessors. Students are assessed as a team, and thus if one person in a walking group fails to meet one of the twenty conditions – the whole team is liable to fail. Students are reminded that whilst out on expedition they are representing North Leamington School and should behave in a wholly responsible manner which is in keeping with the expectations of a pupil at our school and following the Countryside Code at all times.

Expedition Kit Distribution – 8 July 2026 3.15pm – 4.15pm

On the Wednesday before our expedition, students will have a final meeting and go through the process of signing for their expedition kit – supplied by North Leamington School. The kit provided is expensive and students are expected to return their kit in the condition it was loaned out. Missing, or broken kit caused by misuse will incur a charge for replacement.

All kit borrowed will need to be returned and signed back in, but this will be done on the following Tuesday morning (14 July) at 8.00 am.

School will provide the following kit:

65lt rucksack, tent (shared between 2/3), cooking stove & fuel, roll mat, first aid kit, map (1 per group) and compass. All other expedition kit, including clothes, sleeping bag, utensils, and food will need to be supplied by home. *Students may use their own rucksack provided it is a minimum of 65lt and tent so long as it is 2-3 person*

Thursday 9 July 2026 Students should arrive at school no later than **7.00am** for their departure via coach to their drop off location in the Shropshire Hills. Whilst out on expedition, students are expected to walk independently. They will need to use their learned navigation skills and follow their planned route at all times. Staff will supervise groups across busy roads to ensure safety and will meet up with the students regularly whilst they are out walking.

Part of the Duke of Edinburgh qualifying expedition, qualifying will need to complete several camp-craft based tasks upon their arrival at camp.

This will include:

- Setting up and setting down of a tent
- Cooking a substantial meal on a meth stove
- Maintaining their area neatly and tidily to ensure kit is accounted for and orderly stored.

Remaining days: Students are expected to be up by **6.00am** on each morning. Walks are scheduled to commence by **8.00am** and completed by **3.00pm**. The walking groups will receive a short de-brief upon the completion of their day three walks. During the de-brief they will be asked for their reflections on their DofE experience and informed of the outcome of their qualifying expedition. Following this, they will be transferred back to North Leamington School. **Students will take their kit home with them and dry out tents and bags, clean Trangias and other equipment.** Students are then asked to return them on Tuesday 14 July between 8.00 and 8.30 am, meeting Mr Barrett at the DofE storage container.

Dress and Equipment Students should be dressed appropriately for three days walking in the summer: with all kit and food they will need for two days, **including at least 2 x one litre re-fillable water bottles – given the time of year, this is an absolute must.** Students are reminded that they must be wearing walking boots and have a waterproof top and bottoms accessible in their rucksack even if the forecast is dry. Students must bring a packed lunch to eat on Friday Saturday and Sunday; a meal that they can cook on a Trangia on the Friday and Saturday evenings and a breakfast such as a porridge pot that they can eat on the Saturday and Sunday mornings. As they are walking somewhere in the region of fifty kilometres over the three days, snacks and carbohydrate heavy foods are advised to ensure they have the necessary energy to complete each day. Essential equipment is listed below:

*Walking boots, waterproofs, sleeping bag, a change of clothes for camp, trainers/flipflops, packed lunches, dinner to be cooked on a Trangia (e.g. dry pasta, boil-in-a-bag meal), breakfast (hot chocolate, porridge pot), **2 x 1ltr water bottle**, plastic bag for litter, utensils, medication, sun cream, sun hat, wristwatch, sweets & snacks*

Behaviour: As a school we have enjoyed a great relationship with the campsite owners. Whilst we want our expedition to be a memorable one, this should not come at the expense of disruption of members of the public and potentially other school parties who will be accessing

the campsite that weekend. We will be always expecting respectful and appropriate behaviour whilst at camp; also ensuring no litter is left behind. No student should be entering any tent which is not theirs at any time, and will be expected to be in their tents by 9.30pm and lights out by 10.00pm. The expedition is a tiring process, and students will need to be well rested ahead of the walks on Days 2 and 3.

Medication: Any student taking medication is responsible for remembering to bring those items. Asthma sufferers especially are reminded to bring their inhalers, and those requiring EpiPens must ensure they are present.

Mobile phones: Mobile phone usage on expedition is prohibited at all times. Each participant may take their phone, which will be wrapped and sealed before we leave on Thursday morning and placed in their rucksack and, at least, two mobiles per team should remain switched on with the volume up in case staff need to make quick contact with a group. Anyone who is concerned about their phones being lost or broken should leave them at home. **Can I please make it clear that anyone found using their mobile phone outside of the conditions stipulated, will immediately fail and this is non-negotiable.** All participants are asked to store this number in their phones (if they are bringing them) and to download the **what3words app** as well.

Medication: Any student taking medication is responsible for remembering to bring those items. Asthma sufferers especially are reminded to bring their inhalers, and those requiring EpiPens must ensure they are present. In terms of medicine, parents/carers must acquaint themselves with the policy [here](#). Parents/Carers will need to ensure they pass on all medicines (prescription or over-the-counter ones) with a copy of the Parental Agreement (consent) form found on page 6. If you need a paper copy of the form provided for you, please ask reception.

Emergencies: During the weekend, students will be given the staff mobile numbers of **07918 335230** and **07386 685678**. If you have any concerns over the course of the weekend, please contact us using one of these two numbers. Please note this number will not be in use until the day of departure, so all communications need to come through the email below up until that point. In the unlikely event of extreme weather conditions, a decision will be made by myself to prematurely end the expedition; the Students will be returned to school.

Students are reminded that to access the expeditions – they must have completed two out of their three units (SKILL, VOLUNTEERING, PHYSICAL) and have evidence that they are working towards the third.

If at any point you need to speak with myself regarding any aspect of the contents of this letter, please do not hesitate to contact jbarrett@northleamington.co.uk.

Yours faithfully,

Mr James Barrett

DofE and The King's Trust Coordinator
