Dear Parent/Carer

Passport to the Prom

It has been a fantastic week having launched the Passport to the Prom. We have had very high numbers at revision classes for week 1 showing a very significant number of our Year 11 students are incredibly motivated to aim high and be successful in the Summer exams. The first 'pizza night' will take place next week for all students attending on a particular night, which will be kept secret until the day itself. This is part of our celebration events to say thank you to students, by rewarding them with pizza.

Prom Traffic Light attendance update

It is important to know that <u>all students</u> in the amber and red category still have opportunities to secure an invitation to the celebrations, by acknowledging their current situation and taking advantage of the chance to improve it through changed behaviours during the next two review points. Therefore, this provides a fresh start for all.

- The first review point will run from Monday 8 January until the Friday 9 February 2024.
- The second review point will run from Monday 19 February until Friday 22 March 2024.

With the countdown to the summer exam season well under way it is crucial that all students are doing everything they need to do to be successful and therefore proud of their achievements come their results in the summer. With it not being too long before Year 11 students spread their wings and begin the next stage of their development, it is important students are in school as much as possible, accessing the support available here at NLS, whether it be class teachers, tutors, support staff or myself and Mr. Atkins. A reminder that all exam-based information is available on our website and can be viewed <u>here</u>.

This is such an important time. Attendance every day can make such a significant difference. We wish all our Year 11 students the best of luck in the forthcoming final mock exam window.
