Dear Parent/Carer

Year 10 have had a fantastic return to school this week. Standards of students' uniform has been excellent so thank you to all parents and carers for their support with this following our communications over the Summer term. The Year 10s displayed a fantastic attitude in their first assembly of the year, led by Mr Lowdell, which focused on the importance of resilience and the values of our school. A reminder that the school day now starts at 8:45am and therefore students must be on site by 8:40am when the entrance gates will then be locked. Year 10 students are now entering and exiting school through the Park Road entrance, unless alternative arrangements have been agreed, and are on the second lunch time after period 4.

I would like to take this opportunity to raise the importance of good attendance and punctuality as students prepare for their GCSEs, particularly as Year 10 will sit their RE GCSE exams towards the end of this academic year. Attendance along with the correct uniform will remain a focus of the Year 10 tutor team as we start the new academic year, so that students have the best opportunity to make positive progress in their lessons at school.

All students have received their timetables through Go4Schools, and an ID card with a copy of their timetable. Please remind your child to keep this safe; lost ID cards will be available at a cost through Parent Pay.

Next week students will be attending their first College assembly of the year with their College Leader where we will welcome our new Year 7 students, reflect on celebrations from last year and look forward to key upcoming events.

Over the next week, students who applied for a student leadership role will find out if they have been successful in their application and I look forward to working with our Sports and Careers Leaders this year.

I am really pleased that the majority of the Year 10 tutor team has remained the same as last year. I would also like to take this opportunity to warmly welcome Mrs Wright (10BD01), Miss Norman (10CT01) and Mrs Reeves (who is working with 10MR02 on a Tuesday, alongside Mrs Ellis-Gormley). Mr Atkins is now working with Year 10 as our Senior Leader link and will be working closely with me to support our students.

Your child's tutor should be your first point of contact if you have any questions. Details of your child's tutor are below:
