

Friday 13 June

Dear Parents and Carers,

In the final half term of the academic year we begin our preparation of new and existing students progressing into the next academic year. An important part of this will be to amend our lunchtime rotations for students in current years 7-10. The updated arrangement will be timed in line with our Year 11 students having completed their final exams and Year 10 students who will be prioritised in sitting their progression exams. The updated arrangement will start on **Monday 23 June**. This will also accustom each year group with the rotations which will remain in place for September. Years 8 and 10 will be on first lunch and years 7 and 9 will be on second lunch. This will not affect your child's timetabled lessons.

School Uniform: Reminders for parents and carers

As we progress through the final Half Term I would like to take this opportunity to signpost parents and carers to our uniform policy, in readiness for students' return to school in September. We are also revisiting this information with students over this term too.

Wearing school uniform is an integral part of our school community in promoting positive attitudes as well as high standards, and this will be reinforced with students over the coming term and in September, and we will implement this in line with our behaviour and engagement policy.

To this end, please be reminded of our expectations of student dress code, which is outlined in our uniform policy, available on the [Uniform Section of the Website](#). From September we will apply our policy in line with previous years and we are keen to give parents and carers sufficient notice of this.

Where can parents and carers buy uniform?

Stitch-Tech supply items of NLS branded uniform. They also supply separate logos which can be attached to skirts and blazers if purchased elsewhere. Whilst parents are entitled to source their child's uniform from different suppliers, our uniform supplier Stitch-Tech have a variety of waist sizes whilst maintaining the required fit for blazers and length of skirts [Stitch-Tech Website](#).

We also have a wide range of new and second hand uniform items available to collect from school. If parents would like to request items they can from nls@northleamington.co.uk.

To summarise our uniform expectations:

School footwear: guidance for students in years 7-11

- Plain Black leather shoes
- “Plain” is defined as being without embellishment, other colours or sports logos
- Must not be boots, canvas shoes, pumps, trainers high top shoes, open toes, sling backs or high heels

Other uniform expectations:

- Hoodies and black jumpers are not listed on our uniform items and therefore not permitted to be worn in school
- Blazers are expected to be worn at all times except in the event of hot weather and in classrooms
- Girls’ skirts are expected to be no shorter than just above the knee, and with the NLS logo visible (see recommendations for skirt length on the summary below)
- Jewellery must be kept to a minimum (see guidance below)
- We are unable to safekeep valuables for students in PE lessons, therefore students bring valuables into school at their own risk
- Whilst we appreciate that most students will carry mobile phones to/from school for safety purposes, phones, electronic devices and ear buds must be kept in bags during the school day. These items will be confiscated if seen.

We will work hard to maintain good standards and ask for your support in reminding your child of this.
