

Friday 13 March 2026

Dear Parents, Carers

Students have now had their options launch assembly, and all the information shared can be found in the previous parent/carer letter on Options and on the [Key Stage Options pages](#) of the website.

Next week is an important week for Year 9 with several things going on:

- Year 9 subject evening on Monday (appointments can still be made via Schoolcloud)
- Taster lessons in Business and Health and Social care for students who have signed up in tutor time
- Opportunities to hear about all other options courses in current lessons from subject teachers

A reminder also that you will receive a login on Tuesday 17 March for the Options online portal and have until 9AM on Friday 27 March to select your child's Options on there.

If you do not receive this by Wednesday 18 March, or have any issues please contact data@etmat.co.uk

Your sincerely

Mrs Sarah Barley-Morey
AHT Y9 Lead, Careers & Student Self Reflection Lead
