

20 October 2023

Dear Parent/Carer,

As an International School and FairAware school, we want to offer our students experiences to broaden their understanding of the world.

In light of this, on Wednesday 29 November, Year 8 students will have the opportunity to take part in a Green Shoots workshop where they will learn more about sustainable foods, including Fair Trade, food miles and have the opportunity to plant their own microgreens. There is no additional cost for this and will form part of their school day.

They will undertake this activity in Colleges.

Period 1: Croft

Period 2: Park

Period 3: Blackdown

Period 4: Manor

Period 5: Binswood

Students will still need to wear school uniform and they will attend the rest of their lessons as normal.

I hope that this will be a wonderful experience for them all that they thoroughly enjoy.

Yours faithfully

R Harding (International Schools Coordinator)
