12 November 2021

Dear Parents/Carers,

## Y10 subject evening

The Y10 subject evening is due to take place on **Monday 6 December from 4.30 – 7.15pm**

It is with pleasure that I write to inform you of the arrangements for the Year 10 Subject Evening.

We are continuing following feedback, to use the online parents' evening package called Schoolcloud. This allows you to book appointment times with relevant teachers, which will then take place virtually through the same website.

Appointments can be made from 15 November 4pm and will close on 6 December 9am.

A number of students may have two teachers in some subjects, and where this is the case you will only be able to book one appointment but where possible, both teachers will be present. Only students studying triple science will not be able to see teachers from all three disciplines, but each teacher will have an overview of information to share.

As this is a subject evening, you will be unable to book appointments with your child's Form Tutor due to their subject commitments. If you do wish to speak to them at any point during the year then please contact them directly via email.

The [parent guide](#) will step you through the process of booking appointments. In order to take part in appointments you will need to refer to the [Parent Guide for Video Appointments](#), which is provided by SchoolCloud. The SchoolCloud system controls the length of each appointment and they will be restricted to 5 minutes. This is the usual length of an NLS subject evening appointment, but we would advise that if you have any specific questions you raise these at the start of the appointment to ensure you do not run out of time for these to be answered.

The most recent attainment and engagement data will be available via GO 4 Schools in advance of the evening and we would encourage you to revisit this prior to the appointment and to be ready to ask any specific questions you have.

If you have any issues or queries with booking appointments then please contact [data@northleamington.co.uk](mailto:data@northleamington.co.uk).

## SEND Faculty and Subject Evening

Mrs McBride has made herself available for all students who linked to the SEND department so please do make appointments with her if you have any questions or queries.

## Uniform

Standards of uniform have generally been very good in Y10. However, it has been noticeable that an increasing number of students have been failing to wear their blazers over the last few weeks, and in particular, this has been more noticeable amongst the girls. Blazers are an integral part of our uniform, and must be worn at all times unless a member of staff has given permission for it to be removed during a lesson. Jumpers are optional and neither jumpers nor coats should replace blazers. We very much hope that parents/carers will support us in maintaining high standards of our uniform as part of our development of Qualities, Standards and Skills theme that is designed to ready students for the world of work.

## Work Experience

A gentle reminder that the first document requesting parent/carer consent for students to undertake work experience is overdue and should be passed to Miss Milligan in the Careers Office as soon as possible. Learning Mentors will be liaising with parents to support.

The remaining forms (blue = placement details; yellow = placement risk assessment) are due to be handed in to Learning Mentors on 14 December 2021.

## RE Mock Exam

The Y10 RE mock exam will take place in the second week of December. Resources will be on G4S from next week. The RE Department will also be running revision sessions on a Thursday after school from 22 November and we would ask parents/carers to encourage their children to attend.

Kind regards,

Mrs S Barley-Morey

Assistant Head Teacher, Year 10 Lead

Mr M Atkins

Senior Assistant Head Teacher
