Dear Parents and Carers,

Year 7 Subject Evening

It was wonderful to see so many parents and carers at the recent Year 7 Subject Evening. I hope you found the opportunity to meet your child's teachers both useful and informative, and that you were able to gain valuable feedback on their progress.

Thank you for the many positive comments we have already received—it is greatly appreciated. If you have any further questions that I can personally help with, please do not hesitate to get in touch.

Finally, if you were unable to meet with a particular teacher, you are very welcome to contact them directly using the email addresses available here: [Teaching Staff](#)

Year 7 Whitemoor Lakes Residential trip

The Year 7 students able to join us at the residential at Whitemoor Lakes Activity Centre last weekend, enjoyed taking part in three days of adventurous activities including assault courses, team games, the zip wire, and campfires.

Each session was designed to develop confidence, communication, teamwork, and leadership, with students consistently stepping outside their comfort zones. It was fantastic to see them grow in confidence and support one another to take on new challenges.

We were fortunate to have sunny weather throughout, allowing students to spend most of the weekend outdoors, including enjoying impromptu games of football.

Student behaviour was outstanding across the weekend, with impressive emotional resilience shown in both tackling activities and managing the inevitable tiredness. The experience has undoubtedly strengthened relationships and will have a lasting impact on the year group.

See a more detailed review of the trip on our website [here](#).

Thank you once again for your continued support and have a lovely bank holiday weekend.

Yours sincerely

Mr. B Butler
Assistant Headteacher – Head of Year 7
