13 May 2022

Dear Parents/Carers,

## Year 10 Subject Evening: Monday 6 June from 4.30 – 7.15pm

It is with pleasure that I write to inform you of the arrangements for the Year 10 Subject Evening, which will be held in school starting at 4.30pm and finishing at 7.15pm.

We are continuing to use the online parents' evening package called Schoolcloud. This allows you to book appointment times with relevant teachers, from which you will then come into school and have a face-to-face meeting.

Appointments can be made from Monday 16 May at 4pm and will close on Monday 6 June at 9am.

A number of students may have two teachers in some subjects, and where this is the case, you will only be able to book one appointment but, where possible, both teachers will be present. KS4 students studying triple science will not be able to see teachers from all 3 disciplines, but each teacher will have an overview of information to share.

As this is a subject evening, you will be unable to book appointments with your child's Form Tutor due to their subject commitments. If you do wish to speak to them at any point during the year then please contact them directly via email.

The attached guide will step you through the process of booking appointments.

The School cloud system controls the length of each appointment and they will be restricted to 5 minutes. This is the usual length of an NLS subject evening appointment, but we would advise that if you have any specific questions, you raise these at the start of the appointment to ensure you do not run out of time for these to be answered.

The most recent attainment and engagement data will be available via Go4Schools in advance of the evening and we would encourage you to re-visit this prior to the appointment and to be ready to ask any specific questions you have.

If you have any issues or queries with booking appointments then please contact [data@northleamington.co.uk](mailto:data@northleamington.co.uk).

## Work Experience

Just a gentle reminder that the absolute deadline for students handing in the completed work experience forms is **Thursday 19 May**.

After this time we will not be able to process the forms in time, and so will not be able to sanction the work placement.

A blended alternative approach will be put in place in school for all students who do not go out on a placement.

### **Revision Evening**

We recently held a Revision Evening and shared advice in preparing for Y11 through revision and being successful in the terminal exams. Feedback was very positive in terms of understanding what the next 12 months will entail and how parents play a key role in supporting their child through this demanding period. It is really important that students start to get ready for their end of Year 10 exams. Students have received teaching on various strategies of revision through tutor time and should now be in the position to trial a number of strategies and work out which ones work best for them.

Leaving revision to the last minute only increases anxiety and disappointment. Therefore, we have launched a lot of support early on in the year through RE, where the first terminal paper is now very close.

We wish all students a great start on this first paper of a set of three in RE on Monday.

### **Progression Exams 2022 Schedule- Start 30 June**

Please see the information below to support the progression exam process.

- Students will receive a personalised timetable with seat numbers and rooms on after May half term.
- Morning exams – go to the canteen at 8:45am
- Afternoon exams – eat lunch then report to the canteen at 12:50pm
- The exception to this is art/photography/textiles where you should go straight to the classroom.
- Equipment/rules for mock examinations need to be followed
- All students not in assessments will go to normal lessons. These may need to be re-roomed in some cases and this information will be sent out via tutors and placed on the exam noticeboards.
- Once an assessment is complete and students are dismissed they should return to their normal timetabled lessons or breaks.
- MFL Speaking exams will take place throughout the final half term of the year and students will receive an individual time and instructions.
- Art and Photography will take place on Monday 11 July. Art at 9am, and Photography at 1pm, for 2 hours

<b>Week 2</b>	<b>Thurs 30 June</b>	<b>Fri 1 July</b>
P1 +2	Y10 Business (1h30)	Y10 Food (1h)
Break	<b>Break for all students as normal</b>
