2021 -2022

# HOW IT WORKS

This catalogue includes images of all the prom clothing and accessories available via our school prom wear scheme.

If you find an item that you like, you should contact Nikki letting her know which items you are interested in. You can do this via email or come to the SSE office during your social time.

We can then arrange for you to try the item and if you are happy with it, it is yours to keep for free!

*Don't forget this is not a live document, and will not update when items have been chosen.*
