

## Option Selection Process

### STEP 1 –DECIDE OPTIONS INCLUDING 1 RESERVE

Options are to be chosen using Options Online (see next pages), according to the following criteria:

In addition to the Core subjects which all students must study (see **Selecting Options**) students must choose **4** options subjects and **1** reserve. It is a requirement that the 4 options choices **include at least one** of the EBacc subjects.

If your child is taking part in the IEN pathway, you will be contacted by the IEN team or Year Leader and they may advise of some reductions to this that will also be highlighted on your screen when you log-in to the Options online process.

EBacc Subjects	Other subjects
Computer Science GCSE	Art and Design (Fine Art) or Art and Design (Photography) or Art and Design (Textile Design) GCSE – <b>only 1 Art subject</b> may be chosen
French GCSE	Business Studies GCSE
Geography GCSE	Dance BTEC
German GCSE	Design Technology GCSE
History GCSE	Drama GCSE
Triple Science (GCSEs in Biology, Chemistry and Physics)	Food Preparation and Nutrition GCSE
	Health & Social Care BTEC
	Media Studies GCSE
	Music BTEC
	PE GCSE
	Sport BTEC
	Travel & Tourism BTEC

Please note that whilst NLS does its best to accommodate as many students’ first 4 subject choices as possible it must be emphasised that some combinations of subjects may not be possible within the logistics of the timetable structure and some subjects may be oversubscribed. Places will be allocated ensuring that as many students as possible receive their first 4 subject choices, but where this is not possible reserves will be utilised. The school’s decision on this will be final. It is important that all students and parents ensure that uploaded choices are put in order of preference as this will be referred to.

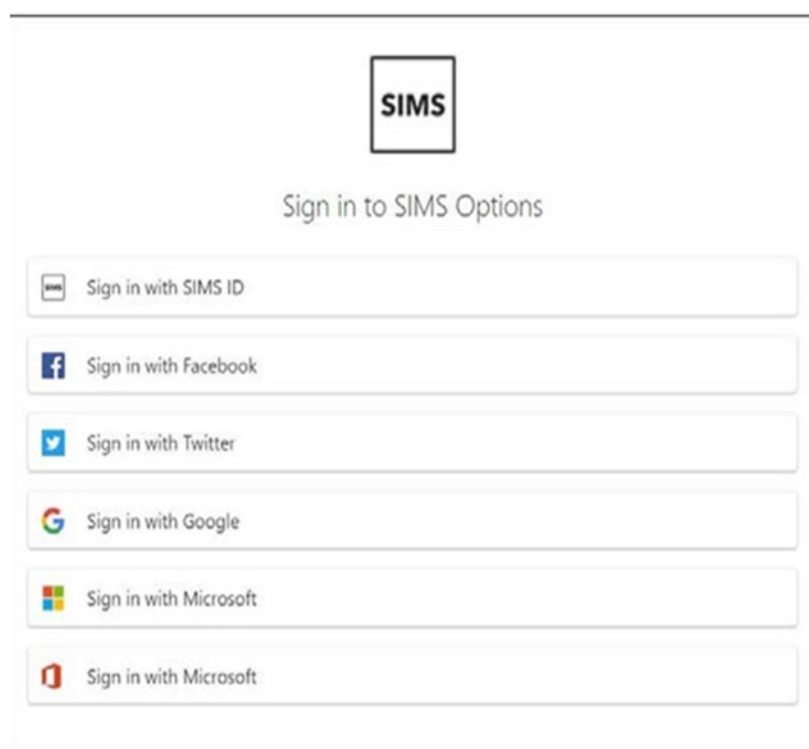

## How to use SIMS Options Online - Guide for Parents/Students

### 1. Logging on

- The parent who is named as Contact Priority No. 1 on our records will receive an email from [noreply@sims.co.uk](mailto:noreply@sims.co.uk) inviting you to join SIMS Online Services for North Leamington School
- Please also check your junk box if you do not think you have received this in the first instance
- Please click on the link within the email (or copy the URL provided into a web browser) to accept the invitation
- You will then be asked to sign in with a provider relevant to you as below:

**NB You will not be able to sign in with SIMS ID, you will need to pick another option**

Please remember the provider you have chosen as you will need to use this same provider if you need to log back in

- Once logged in you may be asked to enter the invitation code provided in the registration email
- Next you will need to verify the account by answering a security question
- You will then be required to log into the account to gain access to the student's Options plan.

## 2 Selecting Options

Note: please refer to the [KS4 Option Subject information](#) available on our website for guidance in making your selections.

- Log on as above
- Select the student by clicking on their name
- Please read the notes at top of the selection page (the note will be slightly different if you are assigned to the IEN option)
