

March 2024

Dear Parents/Carers,

## **Admission of Year 7 Students to North Leamington School in September 2024**

We are delighted to welcome you and your family to the North Leamington School (NLS) community. If you already have older children at the school, then we are sure you know us well; if not, we will be doing everything possible to make your family's introduction to NLS a happy and smooth one.

The Local Authority have now provided us with a list of Year 7 students (currently in Year 6) who have been allocated a place at North Leamington School for September 2024. ***Please note: if you are not intending for your child to start at NLS in September, please can you log on to the School Admissions Portal and decline the place that has been offered, so the place can be offered to a child on our waiting list.***
