Your School Careers Advisor!

Miss Milligan is your School Careers Advisor.

She works Monday-Thursday 8am-4pm and Friday 8am-3:30pm.

You can contact Miss Milligan on: careers@northleamington.co.uk

Careers Guidance Interview

What is a Careers Interview?

A 30 minute to 1 hour one-to-one meeting with a professionally qualified careers advisor to help you feel confident about the choices and decisions you are facing on your journey to finding a career!

What will be discussed?

- Identify personal qualities and skills
- Explore your interests, likes, barriers and work experience
- Research ideas for study, training and employment
- Discover current and future job opportunities
- Understanding writing a CV and going for an interview

Where will we meet?

Miss Milligan is based in C044 in the central hub. We can also meet via Teams or have a phone call.

What are the benefits?

- You will get accurate and up-to-date independent and impartial information
- The opportunity to complete online careers quizzes and skills assessments
- Alternative sources of information and help
- A personalised action plan
- Reflection, challenge, motivation and self-belief

How should I prepare?

Ask yourself the following:

- Where am I now?
- What ideas do I have?
- What do I need help with?

Any enquiries, please email Miss Milligan

How do I book an appointment?

Year 11 – Year 13 students will have an appointment booked for them during 2021 – 2022.

OR email Careers@northleamington.co.uk

Year 12

Nuffield Research Placements STEM

What is a Nuffield Research Placement?

What?

A well-supervised but independent placement relating to an area of science, quantitative social science, computing, technology, engineering or maths - or a combination!

When?

Summer holidays after Year 12

How long?

4 - 6 weeks in total. This includes independent study ahead of 2-3 weeks for the real-world placement collaboration activities.

Cost?

Students can take part in a placement at no cost. Travel costs are reimbursed and students may be eligible to receive a £200 bursary.

Where?

Placements take place in a variety of locations including offices, museums, research centres, laboratories or fieldwork settings.

Enhance your UCAS personal statements and applications to university

Lead to applications for a **Gold CREST Award** or the **Big Bang Competition**

Get into Medicine!

Year 10 - 12

Students years 10-12 wanting to study medicine are eligible to attend the LIVE Get into Medicine UCAS Application Conference for FREE using the funding code: Teacher21

Once students attend, they will also be awarded with a highly commended reference from the Presidents at Medic Mentor to acknowledge that they are a student who has gone one step further than others by attending the conference.

The Get into Medicine conference is a significant turning point for Medic Mentor students. It will unlock exclusive opportunities such as scholarships and prizes, as well as help them to make a highly competitive application.

Upcoming conference dates: *PARENTS MUST ATTEND WITH STUDENTS IN Y10/Y11*

Saturday 27th November

Register for free using the funding code: Teacher21 [here](#)

Law Apprenticeship 2022

Year 13

[Farrer & Co](#) will be recruiting two Solicitor Apprentices to join us in September 2022.

Solicitor Apprenticeships are an excellent alternative route into the legal profession for school leavers who are not interested in attending university. This involves a six year level seven programme where candidates will gain an LLB (Hons) in Legal Practice and will qualify as a solicitor at the end of the programme. All tuition fees will be paid for and candidates will also earn a salary whilst they are training and gaining their qualification.

Farrier & Co will be hosting a virtual open evening for students/parents/schools to attend and find out more. Please register via the links below:

- [Wednesday 24 November \(17:00-18:30\)](#)

The logo for Farrier & Co is displayed on a dark grey rectangular background. The text "FARRIER & CO" is written in a bold, serif, gold-colored font, centered horizontally and vertically within the rectangle.

FARRIER & CO

Year 10

Work Experience Prize!

Year 10 work experience looked a little different in June 2021. Students who were not out on placement were involved in employability skills sessions run by [Careers Seekers Direct](#) and Pink Connect.

James Pink, from [Pink Connect](#) a local employer, donated a phone which was won by the student who engaged most throughout the two days.

I am pleased to announce that teachers voted that Leo-John Pimlott was the most engaged student throughout the two days!

Well done Leo-John!

(Leo-John holding his prize, a brand new phone)
