# Y11 Mock Interviews

## Volunteers Needed!

We are pleased to announce North Leamington School are running our annual Mock Interview Event on the 27 January 2022, 8:30am – 3:15pm.

We are looking for around 25 volunteers to help us run this event.

**You can attend for the full day or for half a day (Morning: 8:30am-12:20pm, Afternoon: 12:20pm-3:15pm)**

Welcome coffees/teas and lunch will be provided on the day!

Year 11 students will be given the chance to have an interview with external volunteers and receive some constructive feedback on how to improve in the future. This event has always been very successful and students appreciate all the feedback received.

If you are able to help with this event please let us know by emailing on [careers@northleamington.co.uk](mailto:careers@northleamington.co.uk)

# Get into Medicine!

## Years 10 - 12

Students in years 10-12 wanting to study medicine are eligible to attend the 'LIVE Get into Medicine UCAS Application Conference' for FREE using the funding code: Teacher21

Once students attend, they will also be awarded with a highly commended reference from the Presidents at Medic Mentor to acknowledge that they are a student who has gone one step further than others by attending the conference.

The Get into Medicine conference is a significant turning point for Medic Mentor students. It will unlock exclusive opportunities such as scholarships and prizes, as well as help them to make a highly competitive application.

Upcoming conference dates: \*PARENTS MUST ATTEND WITH STUDENTS IN Y10/Y11\*

# Into Games!

## Parents Night

On 15 December, Into Games are running a free 1-hour online **Parents' Night** - an evening of learning for parents to find out more about what a potential career in games for their children could look like and the starting blocks for getting there.

They are running this event in collaboration with **Creative Assembly**, one of the largest AAA game studios in the UK, and **Andy Robertson** - Author of Taming Gaming and founder of the Family Video Game Database.

Andy and staff from Creative Assembly will be talking about how children can build healthy and safe gaming habits, which games encourage children to unleash their creativity and build their own virtual experiences, and how parents can help their children to kickstart their journey into making games.

Wednesday 15 December

7:30pm-8:30pm

# Meet the Engineers!

The purpose of this event is first, to help young students and school leavers to understand more about engineering and the day-to-day jobs and personal experiences. Second, to help encourage, especially young students and school leavers, to pursue a career in STEM.

The event will be an hour-long panel session with three speakers:

- Alexandra Knight the founder of Stemazing LTD a social enterprise dedicated to inspiration and inclusion in STEM
- Will Reynolds, a medical software engineer who has worked on a variety of deeply technical projects from medical device algorithms to award-winning automotive simulators
- Danielle George, a Professor of Radio Frequency Engineering who became the 139th President of the Institution of Engineering and Technology in October 2020.

Monday 13 December

6pm-7pm
