## HOW IT WORKS

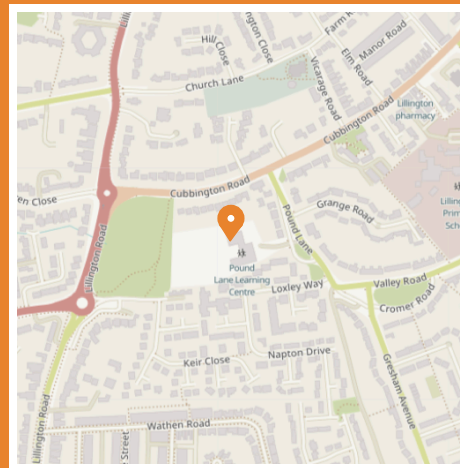

You can request to join The Community Pantry by calling 01926 350 800 or emailing [lillington@thecommunitypantry.org.uk](mailto:lillington@thecommunitypantry.org.uk). You will be contacted by a member of our team and invited to visit the Pantry and complete a Membership Application.

Our team will help you complete the Application Form, and you'll be informed before you arrive of any documents that you'll need to bring with you.

After you've completed your Membership Application, you'll be given a Membership Card and can start shopping at the Pantry.

You can visit the Pantry once a week. Each time you shop at the Pantry, it costs £5. If you require extras, such as toiletries, there will be a small additional cost.

Every 3 months, you'll be invited to a review with a member of our team. Your Membership runs for 6 months and can be renewed.
