(grow creative)

Painting and mark making with a sponge
(Decoist)

Printmaking with leaves
(Jill's art journal)

Portrait made with soil
(Kirsten Kurtz)

GLUE

- 1/2 cup of flour mixed with 1/3 cup warm water.

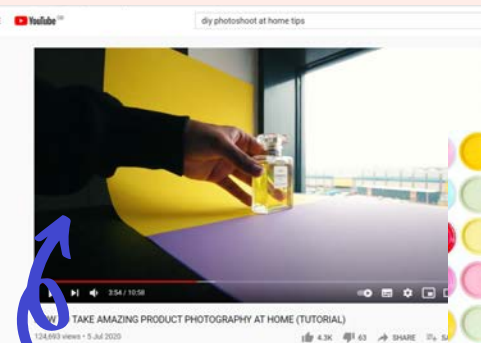

Store in an air tight container to use multiple times!

<http://www.couponcloset.net/how-to-make-glue-only-2-ingredients/?jwsourc=cl>

PHOTOGRAPHY

- Use your phone camera
- Use free photo editing sites such as Photopea
- Create backdrops using bedsheets, curtains or by sticking lightweight objects to the wall.
- Create smaller backdrops for sill life using coloured paper or found objects.
- Create levels in a photo using books covered in fabrics.
- Use family members as models
- Take photos near a window or in the garden for natural lighting
- Use lamps, torches, computer screen for alternative lighting
